I didn't want to love	Wasted all my (12) and love on you
I was happy on my own	(13) (14) were rough
Wish I (1) had a (2) of your	You (15) me up
(3) song	(16) love on you
I was rolling (4) a stone	All along I knew something was not right
Taking any road	But I was (17) I (18) change
There was something in the way	(19) mind
You stopped me cold	All along no matter how I tried and tried
All the pretty words you said	You kept taking, taking
Slipped through my fingers just like sand	(20) (21) breath I had inside
(5) since that sorry day you took my hand	Wasted love
Wasted love	Wasted love
(6) love	Wasted all my (22) and all my love on you
(7) all my time and all my love on you	(23) (24) were rough
When (8) rough	You used me up
You used me up	Wasted love
Wasted love on you	Wasted love
Did you ever really see?	Wasted love
Was it ever really me?	Wasted all my time and all my love on you
Why did you keep me in a cage?	(25) times (26) rough
You should've set me free	You used me up
Because every single (10) you lied	Wasted love on you
Felt like a (11) in my pride	I wasted all my love on you
And if you had a heart now I know it wasn't mine	Wasted all my love on you
Wasted love	
Wasted love
