

## Fill in the gaps

Some say when hearts race	Because someday they'll try to break you break you
There's no saving grace	But baby I won't let them take you take you away
Tho' cruel fate	Take you away
I'll (1) wait because nothing can sway	Someday maybe they'll change you change you
Someday maybe they'll (2) you change you	But don't let don't let them lead you lead you astray
But don't let, don't let (3) lead you lead you astray	Stay young, (6) young
Stay young, stay young	Because someday they'll try to break you break you
Because someday they'll try to break you break you	But (7) I won't let them take you take you away
But (4) I won't let them (5) you take	Take you away
you away	And someday they'll try to change you change you
Take you away	But baby I won't let them (8) you lead you
We might pace and time chase	astray
But there lies a place	Stay young
Where all hopes and all saints	Because someday they'll try to break you break you
Collide face to face	But (9) I won't let them take you take you away
Someday maybe they'll change you change you	Take you away
But don't let don't let them lead you lead you astray	
Stay young, make love
