It kills me by Melanie Fiona

Oh yes, I've got trouble with my friends
(1)_____ in my life
Problems when you don't come home at night
But (2)_____ you do, you always start a fight
But I can't be alone

But who the hell else is gonna hold me down?
I gotta be out of my mind
To think it's gonna work this time
A part of me wants to leave
But the other side still believes
And it kills me
To know how much I really love you
