## The hurt & the healer by MercyMe

## Fill in the gaps

Why?
The question that is never far away
The healing doesn't come from the explained
(1) please don't let this go in vain
You're all I have
All that remains
So here I am
What's left of me
(2) glory meets my suffering
I'm alive
Even though a part of me has died
You take my heart and bring it back to life
I've fallen into your arms open wide
When the hurt and the healer collide
Breathe
Sometimes I feel (3) all that I can do
Pain's so deep that I can hardly move
Just keep my eyes completely fixed on you
Lord take hold and pull me through
So here I am
What's left of me
Where glory meets my suffering
I'm alive
Even though a part of me has died
You take my heart and breathe it back to life
I've fallen into your arms open wide
When the hurt and the (4) collide

t's the moment when humanity
s overcome by majesty
When grace is ushered in for good
And all our scars are understood
(5) mercy takes its rightful place
And all these questions fade away
(6) out of the weakness we (7) box
And hear you say "It's over now"
'm alive
Even though a part of me has died
You take this heart and bring it back to life
