## The hurt & the healer by MercyMe

## Fill in the gaps

Why? The question that is never far away The healing doesn't come from the explained Jesus please don't let this go in vain You're all I have All that remains So here I am What's left of me \_\_ glory meets my suffering I'm alive Even though a part of me has died You take my heart and bring it back to life I've fallen into your arms open wide When the hurt and the healer collide Breathe Sometimes I feel it's all (2)\_\_\_\_ \_\_\_\_ I can do Pain's so (3)\_\_\_\_\_ that I can hardly move Just keep my eyes completely fixed on you Lord take hold and pull me through So here I am What's left of me Where glory meets my suffering I'm alive Even though a part of me has died You take my heart and breathe it back to life I've fallen into your arms open wide When the hurt and the healer collide

It's the moment when humanity
Is overcome by majesty
When grace is ushered in for good
And all our scars are understood
When mercy takes its rightful place
And all these questions fade away
When out of the weakness we must bow
And hear you say "It's over now"
I'm alive
Even (4) a part of me has died
You take this heart and bring it back to life
I've fallen into your arms open wide
When the hurt and the healer collide
Jesus (5) and break my fear
Awake my heart and take my tears
(6) your glory even here
When the hurt and the healer collide
Jesus come and break my fear
Awake my heart and take my tears
Find your (7) even here
When the hurt and the healer collide
Jesus come and break my fear
Awake my heart and take my tears
I find your (8) even here
