

You always (1)_ Part of a circus company For the fun and death defying But in time you forgot life is small in the big top And your dreams were slowly dying What you wanted was not a crime You could've done it __ just a little Now you're (2)_ A little in the middle A little in the middle of where you're bound Always just a little in the middle It keeps your head from spinning round (3)_ _____ walk on the wire Lions leap through hoops of fire As the acrobats go flying But what's the show all about When did your north get turned to south And the truth turn to lying What you wanted was not a crime You could've done it but you needed time

Now you're always just a little
