

Little in the middle by Milow

You always wanted to be
Part of a circus company
For the fun and death defying
But in (1) you forgot
life is small in the big top
And your dreams were (2) dying
What you wanted was not a crime
You could've done it
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle

Jugglers walk on the wire
Lions leap through hoops of fire
As the (3) go flying
But what's the show all about
When did your north get turned to south
And the (4) (5) to lying
What you wanted
was not a crime
You could've done it
but you needed time
Now you're always (6) a little

But it's a (9) you're digging
A hole you're digging
you're doing it despite
the so much more you're missing
More you're missing
to your left and to your right
Now you're always just a little
A little in the middle
A little in the middle
of where you're bound
Always just a little in the middle
It keeps (10) head from spinning round
It keeps your head from spinning round
And round, and round
It keeps your head from spinning round
