Fill in the gaps

Don't know what you think you saw
You didn't know at all
Lost sight of who you are
Came to make a connection
Force myself in a dimension
Lost sight of myself
If I could (1)_____ my heart, my ears, my mind
And eyes to get in line
Maybe I'd find something real
Not a fantasy so divine
Let myself down each time
Let myself down each time
How could you be what I want to see?
How could you be what I want to see?
How could you be what I want to see
When my reality
Could never live up, could never (2)_____ up
To the fantasy?
(3)_____ from dissolution
Hypnotizing and demoralizing

Pressure of the future, too much for today
How many (4)_____ will I let slip away
Before I realize existing and living
Are not the same?
Are not the same
How could you be what I want to see?
How (5)_____ you be what I (6)_____ to see?
How (7)_____ you be what I (8)_____ to see
When my reality
Could never live up, could never live up
To the fantasy?
How, how, how?
How could you be what I want to see?
How could you be what I want to see?
How (9)_____ you be what I want to see
When my reality
Could never live up, could never (10)_____ up
To the fantasy?
