Fill in the gaps

Think of you by MS MR

You got high off my devotion
We caught as you crutch
Black, some sick of potion
I was addicted to your touch
Carried (1)_____ weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the sh*t you put me through
And I (2)_____ you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
You made (3)_____ your lover
Infidelity not discrete
I knew you found another
How (4)_____ I compete?
Abusive words cover me like dust
I waited to know for sure
You only (5)_____ up as last
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I (6)_____ you were wrong
Dark clouds follow you around
Your own worst enemy
You only (7)_____ me up to bring me down, down, down...
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the sh*t you put me through
And I know now, I (8)_____ you were wrong
I still think of you
And all the sh*t you put me through
And I know you (9)_____ wrong
I still think of you
And all the sh*t you put me through
And I know now, I know you were wrong
