

Think of you by MS MR

Fill in the gaps

You got high off my devotion
We caught as you crutch
Black, some sick of potion
I was addicted to your touch
Carried your weight the misplaced way
Had the burden of hate
The decadence of decay
I still think of you
And all the (1)_____ you put me through
And I know you were wrong
I still think of you
And all the (2)_____ you put me through
And I know now, I know you were wrong
You made pain your lover
Infidelity not discrete
I knew you found another
How could I compete?
Abusive words cover me (3)_____ dust
I waited to know for sure
You (4)_____ give up as last
I still think of you
And all the sh*t you put me through

And I know you were wrong
I (5)_____ think of you
And all the sh*t you put me through
And I know now, I know you (6)_____ wrong
Dark clouds follow you around
(7)_____ own worst enemy
You only picked me up to bring me down, down, down...
I still think of you
And all the sh*t you put me through
And I know you were wrong
I still think of you
And all the (8)_____ you put me through
And I know now, I (9)_____ you were wrong
I still think of you
And all the sh*t you put me through

And I know now, I know you were wrong
