

Fill in the gaps

You got high off my devotion	
We (1) as you crutch	
Black, some sick of potion	
I was addicted to your touch	
Carried your weight the misplaced way	
Had the burden of hate	
The (2) of decay	
I still think of you	
And all the sh*t you put me through	
And I know you were wrong	
I (3) think of you	
And all the (4) you put me through	
And I (5) now, I know you (6) wrong	ç
You made pain your lover	
Infidelity not discrete	
I (7) you found another	
How could I compete?	
(8) words cover me (9) dus	t
I waited to know for sure	
You only give up as last	
I (10) of you	
And all the (12) you put me through	

and I know you were wrong
still (13) of you
and all the sh*t you put me through
and I know now, I know you were wrong
Park clouds follow you around
our own (14) enemy
You only (15) me up to bring me down
own, down
(16) think of you
and all the (17) you put me through
and I know you (18) wrong
still think of you
and all the (19) you put me through
and I know now, I (20) you were wrong
(21) think of you
and all the (22) you put me through
and I know you were wrong
still (23) of you
and all the sh*t you put me through
and I know now, I know you were wrong
