I'm a cad but I'm not a fraud

Fill in the gaps

Whispers in the dark by Mumford & Sons

You hold (1) truth so purely	I'd set out to (7) the Lord
Swerve not through the minds of men	My heart was colder when you'd gone
This lie is dead	And I lost my head but found the one that I love
This cup of yours tastes holy	Under the sun, under the sun
But a brush (2) the Devil can (3)	But fingers tap into (8) you were once
your mind	And I'm worried that I blew my only chance
And strengthen your spine	Fingers tap into what you were once
But fingers tap into what you were once	And I'm worried (9) I blew my only chance
And I'm worried that I blew my only chance	My heart was colder when you'd gone
Whispers in the dark, steal a kiss	And I lost my head
And you'll break (4) heart	Let's live while we are young
Pick up your clothes and curl (5) toes	While we are young
(6) your lesson	While we are young
Lead me home	While we are young
Spare my sins for the ark	
I was too slow to depart
