

Fill in the gaps

Whispers in the dark by Mumford & Sons

You hold your truth so purely	I'd set out to serve the Lord
(1) not through the minds of men	My (14) was colder when you'd gone
(2) lie is dead	And I (15) my head but found the one that I love
(3) cup of yours tastes holy	Under the sun, (16) the sun
But a (4) with the (5) can clear	But fingers tap into (17) you were once
your mind	And I'm worried that I (18) my only chance
And (6) your spine	Fingers tap into (19) you (20) once
But (7) tap into what you were once	And I'm worried (21) I blew my (22)
And I'm (8) that I blew my (9)	chance
chance	My heart was colder (23) you'd gone
Whispers in the dark, steal a kiss	And I lost my head
And you'll break your heart	Let's live (24) we are young
(10) up your (11) and curl	While we are young
(12) toes	While we are young
(13) your lesson	While we are young
Lead me home	
Spare my sins for the ark	
I was too slow to depart	
I'm a cad but I'm not a fraud
