

Fill in the gaps

Whispers in the dark by Mumford & Sons

You hold your truth so purely	I'd set out to serve the Lord
Swerve not through the minds of men	My (5) was colder when you'd gone
This lie is dead	And I (6) my head but found the one that I lov
This cup of yours tastes holy	Under the sun, under the sun
But a brush with the Devil can clear your mind	But fingers tap into what you were once
And strengthen your spine	And I'm worried that I blew my only chance
But fingers tap into what you were once	Fingers tap into what you were once
And I'm worried (1) I blew my only chance	And I'm worried that I blew my (7) chance
Whispers in the dark, (2) a kiss	My heart was (8) when you'd gone
And you'll break your heart	And I lost my head
Pick up your clothes and curl your toes	Let's (9) while we are young
Learn (3) lesson	While we are young
(4) me home	While we are young
Spare my sins for the ark	While we are young
I was too slow to depart	
I'm a cad but I'm not a fraud
