

Looking from a window above
It's like a (1) of love
Can you (2) me
Came back only yesterday
I'm moving further away
Want you near me
All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you
Sometimes (3) I think of her name
When it's (4) a game
And I need you
Listen to the words (5) you say
It's getting harder to stay

When I see you

Fill in the gaps

All I needed was the love you gave
All I needed for (6) day
And all I ever knew
Only you
This is going to take a long time
And I wonder what's mine
Can't take no more
Wonder if you'll understand
It's (7) the (8) of your hand
Behind a closed door
All I (9) was the love you gave
All I needed for another day
And all I ever knew
Only you
