

## Fill in the gaps

I was (1) right before I met her	Who gives her the right to tear up my life?
Never hurt and nothing could (2) me	How dare she be so perfect
You know I tried	What did I do to deserve this?
But I (3) regret her	-Never let her go-
She's the first, ask anyone who knows me	How dare she be so perfect
Terrified that she'd find my heart and break it	Tell me why, tell me why
Paralyzed by the thought of her with someone else	You (8) the fire
I wish I would've known	And played me like that
I shouldn't have fallen in love with her	Tell me why, tell me why
It's been nothing but trouble till now	You started the fire
I shouldn't have fallen in love at all	And played me like that
But I couldn't stop myself	I shouldn't have fallen in love with her
What gives her the (4) to tear up my life?	It's been nothing but trouble (9) no
How dare she be so perfect?	I shouldn't have fallen in love at all
What did I do to deserve this?	But I couldn't stop myself
-Never let her go-	-I've got to let her go-
How dare she be so perfect	Who gives her the right to tear up my life?
-You started the fire-	How dare she be so perfect
I haven't cried since the day she left me	What did I do to deserve this?
Because that would mean that I admit it's over	-I've got to let her go-
I tell myself that she's trying to test me	How (10) she be so perfect
She'd never leave, she still (5) me to	Tell me why, tell me why
6) her	You started the fire
Horrified cause she found my heart and broke it	And played me like that
Mortified when I picture her with someone else	Tell me why, tell me why
I wish I would've known	You started the fire
I shouldn't have fallen in love with her	And played me like that
It's been (7) but trouble till now	
I shouldn't have fallen in love at all	
But I couldn't stop myself
