

Fill in the gaps

I was fine right (1) I met her	Who gives her the (17) to tear up my life?
(2) hurt and nothing could control me	How dare she be so perfect
You know I tried	What did I do to deserve this?
But I can't regret her	-Never let her go-
She's the first, ask anyone who (3) me	How dare she be so perfect
Terrified that she'd find my heart and break it	(18) me why, (19) me why
(4) by the thought of her with	You started the fire
someone else	And played me like that
I wish I would've known	Tell me why, tell me why
I shouldn't have fallen in love with her	You started the fire
It's been nothing but (5) till now	And played me (20) that
I shouldn't have fallen in love at all	I shouldn't have fallen in love with her
But I couldn't stop myself	It's been nothing but (21) (22)
What gives her the right to (6) up my life?	now
How dare she be so perfect?	I shouldn't have fallen in (23) at all
What did I do to deserve this?	But I couldn't (24) myself
-Never let her go-	-I've got to let her go-
How dare she be so perfect	Who (25) her the right to tear up my life?
-You started the fire-	How dare she be so perfect
I haven't cried (7) the day she left me	What did I do to deserve this?
Because that would mean that I admit it's over	-I've got to let her go-
I tell myself (8) she's trying to test me	How (26) she be so perfect
(9) (10) leave, she still needs	Tell me why, tell me why
me to hold her	You started the fire
Horrified cause she found my heart and broke it	And played me (27) that
Mortified when I picture her with someone else	Tell me why, (28) me why
I wish I would've known	You started the fire
I shouldn't (11) fallen in love with her	And played me like that
It's (12) nothing but trouble (13) now	
I shouldn't have (14) in love at all	
But I (15) myself
