Sick and twisted affair by My darkest days

There's no reflection when you look in the mirror
You're out for blood and you can smell the fear
You need poison
Like it's the only thing that keeps you alive
You hear voices
They just keep telling you you need me tonight
She hides (1)_____ twilight
Then she takes control
I'm (2)_____ your dirty little joy
And you never get enough
Just a little bad (3)_____ that you have from your friends
I'm like your dirty little joy
And you never get enough
Said you'd be along it
But you're in a sick and twisted affair
You don't want to be (4)_____ tonight
-A sick and twisted affair-
You don't want to be alone tonight
I keep you (5)_____ swearing you're free falling
I'm in (6)_____ dreams, I'm the creature they're calling
You go colder
I am the only thing (7)_____ keeps you alive
Can't stay sober
One taste and it can take control of your life
She hides until twilight
Then she takes control
I'm like your dirty little joy

And you never get enough
Just a little bad habit that you have from your friends
I'm like your dirty little joy
And you never get enough
Said you'd be along it
But you're in a sick and twisted affair
You don't want to be alone tonight
-A sick and twisted affair-
You don't want to be alone tonight
-A sick and twisted affair-
-Take control-
I'm like your dirty little joy
And you (8)_____ get enough
Just a little bad habit that you have from your friends
I'm like your dirty little joy
And you (9)_____ get enough
Said you'd be along it
But you're in a sick and twisted affair
