Stand Back!		You know (4)	ladder from your snak
Stand Back!		You know the throttle from the brake	
What are those dogs doing		You know your straight	
sniffing at my feet		line from a curve	
They're on to something, picking up		You've got a lot of nerve	
Picking up this heat, this heat		But I know you	
Give me steam		Everybody nosedive	
And how you feel to make it real		Hold your breath, count to five	
Real as anything you've seen		Backslap, boobytrap,	
Get a life with this dreamer's dream		Cover it up in bubblewrap	
ou know your culture from your trash		Room shake, earthquake	
ou know your plastic from your cash		Find a way to stay awake	
When I lose sight of the track		It's going to blow,	
ou know the way back		it's going to break	
But I know you		This is more than I can take	
ou know your stripper from your paint		Oh yeah, I (5) steam	
ou know your sinner from your saint		Feel the steam all around me	
Whenever heaven's doors are shut		Ah you're turning up the heat	
ou kick them open but		When I start to (6) aloud	
know you		See you move your (7) and feet	
Give me steam		Won't you step into	
And how you feel to make it real		this (8) of steam	
Real as any place you've been		This steam	
Get a life with the dreamer's dream		Help me yeah	
Stand back!		Ready to steam out the log jam	
Stand back!		Stir crazy (9) the	
Can't you see I've lost		freezer to the boil	
control I'm getting		Water's bubbling, it's	
ndiscreet		bbbbubbling	
ou're moving in so close		bubbling, bubbling, bubbling	
il l'm (1) up		like it's coming to a boil	
Picking up this heat, this heat		Give me steam, lady
