

Fill in the gaps

Wonder by Natalie Merchant

Doctors have come from distant cities
Just to see me
Stand over my bed
Disbelieving what they're seeing
They say I must be one of the wonders
Of God's own creation
And as far as they see
They can (1)_____ no explanation
Newspapers ask intimate questions
Want confessions
They reach into my head to
Steal the glory of my story
They say I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, fate smiled and
Destiny laughed as she came to my cradle
Know (2)_____ child will be able
Laughed as my (3)_____ she lifted
Know this child will be gifted
With love, with patience, and with faith

She'll make her way, she'll make her way
(4)_____ see me
I'm a challenge to your balance
I'm over your (5)_____
How I confound you and astound you
To know I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, fate smiled and
Destiny laughed as she came to my cradle
Know this child will be able
Laughed as she came to my mother
(6)_____ this child will not suffer
Laughed as my body she lifted
Know this child will be gifted
With love, with patience and (7)_____ faith
She'll make her way, she'll make her way
She'll (8)_____ her way
