Everyday I fight for all my future somethings	But you ain't taking that from me
A thousand little wars I have to choose between	You ain't taking that from me
I could spend a lifetime earning things that I don't need	You ain't taking that from me
That's like chasing rainbows and (1) home	You ain't taking that from me
empty	You ain't taking that
And if you strip me, strip it all away	Because when it all (4) down at the end of the
If you strip me, what would you find?	day
If you strip me, strip it all away	It's what you do and say that (5) you who you
I'll be alright	are
Take what you want, steal my pride	Makes you think about it, think about it, doesn't it?
Build me up or cut me down to size	Sometimes all it takes is one voice
Shut me out but I'll just scream	Take what you want, steal my pride
I'm only one voice in a million	Build me up or cut me down to size
But you ain't (2) that from me	Shut me out but I'll just scream
You ain't taking that from me	I'm only one voice in a million
You ain't taking that from me	But you ain't taking that from me
You ain't taking that from me	You ain't taking that from me
You ain't taking that	You ain't taking that (6) me
I don't need a microphone	You ain't taking that from me
To say what I've been thinking	You ain't taking that
My heart is like a loudspeaker	Take what you want, steal my pride
That's always on eleven	Build me up or cut me down to size
And if you strip me, strip it all away	Shut me out but I'll (7) scream
If you strip me, what would you find?	I'm (8) one voice in a million
If you strip me, strip it all away	But you ain't taking that from me
I'm still the same	You ain't taking that from me
(3) what you want, steal my pride	You ain't (9) that from me
Build me up or cut me down to size	You ain't taking that from me
Shut me out but I'll just scream	You ain't taking that
I'm only one voice in a million
