

Fill in the gaps

Strip me by Natasha Bedingfield

Everyday I fight for all my future somethings
A thousand little wars I have to choose between
I could spend a (1)_____ earning things that I
don't (2)_____
That's like chasing rainbows and coming home empty
And if you (3)_____ me, strip it all away
If you strip me, what would you find?
If you strip me, (4)_____ it all away
I'll be alright
(5)_____ (6)_____ you want, steal my pride
Build me up or cut me down to size
(7)_____ me out but I'll just (8)_____
I'm only one voice in a million
But you ain't (9)_____ that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't (10)_____ that
I don't need a microphone
To say what I've (11)_____ thinking
My heart is like a loudspeaker
That's always on eleven
And if you strip me, strip it all away
If you strip me, (12)_____ would you find?
If you strip me, strip it all (13)_____
I'm still the same
Take what you want, steal my (14)_____
Build me up or cut me down to size
Shut me out but I'll just scream
I'm only one voice in a million

But you ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that
Because when it all boils (15)_____ at the end of the
day
It's what you do and say that makes you who you are
Makes you think about it, think (16)_____ it, doesn't
it?
Sometimes all it takes is one voice
Take (17)_____ you want, (18)_____ my pride
Build me up or cut me (19)_____ to size
Shut me out but I'll just scream
I'm only one voice in a million
But you ain't (20)_____ that from me
You ain't taking (21)_____ from me
You ain't taking that from me
You ain't (22)_____ (23)_____ from me
You ain't taking that
Take what you want, steal my pride
Build me up or cut me (24)_____ to size
Shut me out but I'll just scream
I'm only one voice in a (25)_____
But you ain't taking that from me
You ain't (26)_____ that from me
You ain't taking (27)_____ from me
You ain't taking that from me
You ain't taking that
