When she was a young girl	He was older than her
She used to play (1) me	Then he made her do thin
I was her best friend	First she (9)
We were inseparately	She left everything behind
We loved to ride our bikes	Couldn't find a place
Playin' hide and seek	Running through the night
(2) all the night	Loosing all her faith
Dancing in the street	She drugs away the pain
I look (3) at the time	Turning off her lies
Now I realise	But still she makes it (10)
She loved to (4) with fire	Like everything's alright
I (5) it in her	Deep inside, you cry cry c
eyes	Don't let your hopes,die d
I should have seen it in her eyes	Deep inside, you cry cry c
Deep inside, you cry cry cry	Don't let your hopes,die d
Don't let (8) hopes, die die die	(bis)
Deep inside, you cry cry cry	
Don't let your hopes,die die die
