

Watch to the light

## Fill in the gaps

It won't save you tonight
All our lesson is
(1) lost in time
Never enough, towers (2) to dust
Looking back on the moments of our lives
All your anger, all your hurt
It doesn't matter in the end
Those (3) go by and we all start again
What you had and what you lost
They're all memories in the wind
Those days go by and we all start again
Stars still (4) bright
Seasons change overnight
As we find a way
The times they come and go
Look back in love, a new day rises above
With no end it comes, to carry you (5) home
All (6) anger, all your hurt

It doesn't matter in the end Those days go by and we all start again What you had and what you lost They're all memories in the wind Those days go by and we all start again Days go by All your anger, all your hurt It doesn't matter in the end (7)\_\_\_\_\_ days go by and we all start again What you had and what you lost They're all memories in the wind Those days go by and we all start again What you had, what you lost What you had, what you lost Those (8)\_\_\_\_\_ go by Those (9)\_\_\_\_\_ go by Those days go by

- 1. Pictures
