### You're gonna go far, kid by Offspring

Show me how to lie	Show the light of day
You're getting better all the time	Nice (16) you did
And turning all against the one	You're gonna go far, kid
s an art that's hard to teach	Trust, deceived
Another clever word	(17) a thousand lies
(1) off an unsuspecting herd	And a good disguise
And as you step back into line	Hit them right between the eyes
A mob jumps to their feet	Hit them (18) between the eyes
Now dance, fuc*er, dance	When you walk away
Man, he (2) had a chance	Nothing more to say
And no one even knew	See the lightning in (19) eyes
t was really only you	See (20) running for (21) lives
And now you (3) away	Now dance, fuc*er, dance
(4) him out today	He (22) had a chance
Nice work you did	And no one even knew
You're gonna go far, kid	It was really only you
(5) a thousand lies	So dance, fuc*er, dance
And a (6) disguise	I (23) had a chance
Hit them right between the eyes	It was (24) only you
Hit them right (7) the eyes	With a thousand lies
When you walk away	And a good disguise
(8) to say	Hit them right between the eyes
See the lightning in (10) eyes	Hit them right between the eyes
See them (11) for their lives	When you walk away
(12) out of line	Nothing more to say
And drifting (13) in your sights	See the lightning in your eyes
So play it out I'm (14) awake	See them running for their lives
t's a scene about me	(25) alibis
There's something in your way	Lord of the flies
And now (15) is gonna pay	Hit (26) right between the eyes
And if you can't get what you want	Hit them right between the eyes
Well it's all because of me	When you walk away
Now dance, fuc*er, dance	Nothing more to say
Man, I never had a chance	See the lightning in (27) eyes
And no one even knew	See (28) running for their lives
t was really only you
