How does it feel	How does it feel
To be without a home	To be on your own
Like a complete unknown	With no direction home
Like a rolling stone?	Like a complete unknown
Ah,you've gone to the finest school all right, (10)	Like a (22) stone?
Lonely	Ah, princess on the steeple and all the pretty people
But you know you only used to get juiced in it	They're all drinkin', thinkin' that they got it made
Nobody's ever taught you how to live out on the street	Exchanging all precious gifts
And now you're gonna have to get used to it	But you'd better take your (23) ring, you'd
You say you never compromise	better (24) it babe
With the mystery tramp, but now you realize	You used to be so amused
He's not selling any alibis	At Napoleon in rags and the language that he used
As you (11) into the vacuum of his eyes	Go to him now, he calls you, you can't refuse
And say do you want to make a deal?	When you got nothin', you got nothin' to lose
How does it feel	You're (25) now, you got no secrets to
How does it feel	conceal.
To be on your own	How does it feel
With no (12) home	Ah, how does it feel
A complete unknown	To be on your own
Like a rolling stone?	With no direction home
Ah, you (13) turned around to see the frowns on	Like a complete unknown
the (14) and the clowns	Like a rolling stone?
