Like A Rolling Stone by Bob Dylan

Fill in the gaps

Once upon a time you dressed so fine	When they all did tricks for you
Threw the bums a dime in your prime, didn't you?	You never understood that it ain't no good
People call, say, 'Beware doll, you're bound to fall'	You shouldn't let other people get your kicks for you
You thought they (1) all kiddin' you	You used to ride on the (5) (6)
You used to laugh about	with your diplomat
Everybody that was hangin' out	Who carried on his shoulder a Siamese cat
Now you don't talk so loud	Ain't it hard (7) you discover that
Now you don't seem so proud	He really wasn't where it's at
About having to be scrounging your next meal.	After he took (8) you everything he could steal.
How does it feel	How does it feel
How does it feel	How does it feel
To be without a home	To be on your own
Like a (2) unknown	With no direction home
Like a rolling stone?	Like a complete unknown
Ah,you've gone to the finest school all right, Miss Lonely	Like a rolling stone?
But you know you only used to get juiced in it	Ah, princess on the steeple and all the pretty people
Nobody's ever taught you how to live out on the street	They're all drinkin', thinkin' that they got it made
And now you're gonna have to get used to it	Exchanging all precious gifts
You say you never compromise	But you'd better take your diamond ring, you'd better pawn it
With the mystery tramp, but now you realize	babe
He's not (3) any alibis	You used to be so amused
As you (4) into the vacuum of his eyes	At Napoleon in rags and the language that he used
And say do you want to make a deal?	Go to him now, he calls you, you can't refuse
How does it feel	When you got nothin', you got nothin' to lose
How does it feel	You're invisible now, you got no secrets to conceal.
To be on your own	How does it feel
With no direction home	Ah, how (9) it feel
A complete unknown	To be on your own
Like a rolling stone?	With no direction home
Ah, you never turned around to see the frowns on the jugglers	Like a complete unknown
and the clowns	Like a rolling stone?
