

## Fill in the gaps

<em>You're a troublemaker</em>	My mind keeps (15) run as fast as you can
You're a troublemaker	Troublemaker
You ain't nothing but a troublemaker girl	I say I'm done
You had me hooked again	But (16) you pull me back
From the minute you sat down	I swear you're (17) me a (18)
The way you (1) your lip	attack
Got my head spinning around	Troublemaker
After a (2) or two	<em>Maybe I'm insane</em>
I was (3) in your hands	Because I keep doing the same (19) thing
I don't know if I have the strength to stand	Thinking one day we're (20) to change
Trouble (4) yeah	But you know just how to work that back
That's your middlename	And make me forget my name
I know you're no good but you're stuck in my brain	What the hell you do I won't remember
And I want to know	I'll be (21) (22) November
Why does it (5) so good but (6) so	And you'll show up again next summer
bad?	Typical middle name was Prada
My (7) keeps saying run as fast as you can	Fit you like a glove girl
I say I'm done	I'm sick of the drama, you're a troublemaker
But (8) you pull me back	But damn girl it's like I love the trouble
I swear you're giving me a heart attack	And I can't even explain why
Troublemaker	Why does it feel so good but hurt so bad?
It's like you're always there	My (23) (24) saying run as fast as
In the corners of my mind	you can
I see a silhouette every time I close my eyes	Troublemaker
There must be (9) in those	I say I'm done
(10) tips of yours	But (25) you pull me back
Because I keep coming back again for more	I (26) you're giving me a heart attack
(11) troublemaker yeah	Troublemaker
That's your middlename	Why does it feel so good but hurt so bad?
I know you're no good but you're stuck in my brain	My mind (27) saying run as fast as you can
And I want to know	Troublemaker
Why (12) it feel so good but hurt so bad?	I say I'm done
My mind keeps saying run as fast as you can	But then you pull me back
I say I'm done	I swear you're giving me a heart attack
But then you (13) me back	Troublemaker
I swear you're giving me a (14) attack	
Troublemaker	
Why does it feel so good but hurt so bad?
