

Fill in the gaps

You're a troublemaker	My mind keeps saying run as fast as you can
You're a troublemaker	Troublemaker
You ain't nothing but a (1)	I say I'm done
girl	But then you pull me back
You had me hooked again	I swear you're giving me a heart attack
From the minute you sat down	Troublemaker
The way you bite your lip	Maybe I'm insane
Got my head spinning around	Because I keep doing the same damn thing
After a drink or two	Thinking one day we're going to change
I was putty in your hands	But you know just how to work (8) back
I don't know if I have the strength to stand	And make me forget my name
Trouble troublemaker yeah	What the hell you do I won't remember
That's your middlename	I'll be gone until November
I know you're no good but you're stuck in my brain	And you'll (9) up again next summer
And I (2) to know	Typical middle name was Prada
Why does it feel so good but hurt so bad?	Fit you like a glove girl
My mind keeps saying run as fast as you can	I'm sick of the drama, you're a troublemaker
I say I'm done	But damn girl it's (10) I love the trouble
But (3) you pull me back	And I can't even explain why
I swear you're giving me a heart attack	Why does it feel so good but hurt so bad?
Troublemaker	My mind keeps saying run as fast as you can
It's like you're always there	Troublemaker
In the corners of my mind	I say I'm done
I see a silhouette every time I close my eyes	But then you pull me back
There must be poison in those finger (4) of yours	I swear you're giving me a heart attack
Because I keep coming back again for more	Troublemaker
Trouble troublemaker yeah	Why does it feel so good but hurt so bad?
That's your middlename	My mind keeps saying run as fast as you can
I (5) you're no good but you're stuck in my brain	Troublemaker
And I (6) to know	I say I'm done
Why does it feel so good but hurt so bad?	But then you pull me back
My mind keeps saying run as fast as you can	I swear you're giving me a heart attack
I say I'm done	Troublemaker
But (7) you pull me back	
I swear you're giving me a heart attack	
Troublemaker	
Why does it feel so good but hurt so bad?
