Something I need by One Republic

Fill in the gaps

I had a dream the other night		And if we only die once	
About how we only get	one life	I (7) to die with you	
Woke me up right after two		You got something I need	
I stayed awake and stared at you		In this world full of people	
So I wouldn't lose my mind		There's one killing me	
And I had the week that came from hell		And if we only die once	
And yes, I know that you could tell		I want to die with you	
But you're (1) the net under the ledge		I know that we're not the same	
When I go flying off the edge		But I'm so damn glad	
You go flying off as well		That we made it to this time, this time	
And if you only die once		You got something I need	
I want to die with		Yeah, in this world full of people	
You got something I need		There's one killing me	
In (2) world full of people		And if we only die once	
There's one (3)	me	I want to die with you	
And if we only die once		You got something I need	
I want to die with you		In this (8)_	full of people
You got something I need		There's one killing me	
In this world full of people		And if we only die once	
There's one killing me		I want to die with you	
And if we only die once		You got something I need	
I want to die with you		In this world full of people	
Last night I (4)	I drank too much	There's one killing me	
Call it our temporary crunch		And if we only die once	
With (5)	words I've tried to say it	I want to die	with you
Honey don't you be afraid		If we only die once	
If we got nothing, we got us		I want to die with	
And if you only die once		If we only live once	
I want to die with		I (9)	to live with you
You got something I ne	eed		
In this world full of peop	ole		
There's one (6)	me
