## Something I need by One Republic

I had a dream the other night
(1)_____ how we only get one life
Woke me up right after two
I stayed awake and stared at you
So I wouldn't lose my mind
And I had the (2)_____ that came from hell
And yes, I know that you could tell
But you're like the net under the ledge
When I go flying off the edge
You go flying off as well
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one killing me
And if we (3)_____ die once
I want to die with you
You got something I need
In (4)_____ world full of people
There's one killing me
And if we only die once
I want to die with you
Last night I think I drank too much
Call it our temporary crunch
With broken words I've tried to say it
Honey don't you be afraid
If we got nothing, we got us
And if you only die once
I want to die with...
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
I (5)_____ that we're not the same
But I'm so damn glad
(6)_____ we made it to this time, this time
You got (7)_____ I need
Yeah, in this world full of people
There's one killing me
And if we (8)_____ die once
I want to die with you
You got something I need
In (9)_____ world full of people
There's one killing me
And if we only die once
I want to die with you
You got something I need
In this world full of people
There's one killing me
And if we only die once
I want to die with you
If we only die once
I want to die with...
If we only (10)_____ once
I want to live with you
