

Secrets by One Republic

I need another story Something to get off my chest My life gets kind of boring Need something that I can confess Till all my sleeves are stained red (1)_____ all the truth that I've said Come by it (2)_____ I swear Thought you saw me wink, no I've been on the brink, so Tell me what you want to hear Something that will light those ears I'm sick of all the insincere So I'm going to give all my secrets away This time Don't need another perfect lie Don't care if critics ever jump in line I'm going to give all my secrets away My God, amazing how we got (3)_____ It's like we're chasing all those stars Who's driving shiny big black cars? And everyday I see the news All the problems that we could solve And when a situation rises Just write it into an album Singing straight to cold I don't really like my flow, no, so Tell me what you want to hear Something that will light those ears I'm sick of all the insincere So I'm going to give all my secrets away
