

This could really be a good life, good life

## Fill in the gaps

Woke up in London yesterday		Say oh, got this feeling that you can't fight
Found (1)	in the city near Piccadilly	Like this city is on fire tonight
Don't really know how I got here		This could really be a (9) life, a good, good life
l got (2)	_ pictures on my phone	A good good life
New names and numbers that I don't know		Hopelessly
Address to places like Abbey Road		I feel like there might be something that I'll miss
Day turns to night,		Hopelessly
night turns to whatever we want		I feel like the window closes so quick
We're young enough to say:		Hopelessly
Oh this has gotta be the good life		I'm taking a mental picture of you now
This has (3)	be the good life	Because hopelessly
This could really be a good life, good life		The hope is we have so much to feel good about
Say oh, got this feeling that you can't fight		Oh this has gotta be the good life
Like this city is on fire tonight		This has gotta be the good life
This could (4)	be a good life a good, good life	This could really be a good life, good life
To my (5)	in New York, I say hello	Say oh, got this feeling that you can't fight
My friends in L.A. they don't know		Like this city is on fire tonight
Where I've been for the past few years or so		This could really be a good life, a good, good life
Paris to China to Colorado		a good, good life
Sometimes there's airplanes I can' t jump out		To my friends in New York, I say hello
Sometimes there's bullshit that don't (6) now		My friends in L.A. they don't know
We are good of stories but please tell me		Where I've been for the (10) few years or so
What there is to complain about		Paris to China to Col-or-ado
When you're happy like a fool		Sometimes there's airplanes I can' t jump out
Let it take you over		Sometimes there's bullshit that don't work now
(7) everything is out		We are god of stories but please tell me
You gotta take it in		What there is to complain about
Oh (8)	has gotta be the good life
