

## Fill in the gaps

Woke up in London yesterday	Say oh, got this feeling that you can't fight
Found myself in the city near Piccadilly	Like this city is on fire tonight
Don't really know how I got here	This could really be a good life, a good, (16) life
I got (1) pictures on my phone	A good good life
New names and numbers that I don't know	Hopelessly
(2) to places like Abbey Road	I feel (17) there might be something that I'll miss
Day turns to night,	Hopelessly
(3) turns to whatever we want	I feel like the window closes so quick
We're young enough to say:	Hopelessly
Oh this has gotta be the good life	I'm taking a mental picture of you now
This has gotta be the (4) life	Because hopelessly
This could really be a good life, good life	The hope is we have so (18) to fee
Say oh, got this feeling that you can't fight	(19) about
Like this city is on fire tonight	Oh this has gotta be the good life
This could really be a good life a good, good life	(20) has gotta be the good life
To my (5) in New York, I say hello	(21) could really be a good life, good life
My friends in L.A. they don't know	Say oh, got this feeling that you can't fight
Where I've (6) for the past few years or so	Like this city is on fire tonight
Paris to (7) to Colorado	(22) could really be a good life, a good, good life
Sometimes there's (8) I can' t	a good, (23) life
(9) out	To my friends in New York, I say hello
Sometimes there's bullshit that don't (10) now	My friends in L.A. they don't know
We are good of stories but please tell me	Where I've been for the past few years or so
What there is to complain about	Paris to China to Col-or-ado
When you're (11) like a fool	Sometimes there's (24) I can' t ju
Let it (12) you over	out
When everything is out	Sometimes there's bullshit (25) don't work now
You gotta take it in	We are god of stories but please tell me
Oh this has gotta be the good life	What there is to complain about
This has gotta be the (13) life	
This could really be a (14) life, (15) life
