

Fill in the gaps

Good life by One Republic

Woke up in London yesterday
Found myself in the city (1)_____ Piccadilly
Don't really know how I got here
I got some (2)_____ on my phone
New names and numbers that I don't know
Address to places like Abbey Road
Day turns to night,
night turns to whatever we want
We're young enough to say:
Oh (3)_____ has gotta be the good life
This has (4)_____ be the good life
This (5)_____ (6)_____ be a good life, good
life
Say oh, got this feeling that you can't fight
Like (7)_____ (8)_____ is on fire tonight
(9)_____ could really be a good life a good, good life
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to (10)_____ to Colorado
Sometimes there's airplanes I can't (11)_____ out
(12)_____ there's bullshit that don't work
now
We are god of (13)_____ but please tell me
What there is to complain about
When you're (14)_____ like a fool
Let it take you over
When everything is out
You gotta (15)_____ it in
Oh this has gotta be the (16)_____ life
(17)_____ has gotta be the good life
(18)_____ could really be a good life, good life

Say oh, got this feeling that you can't fight
Like this city is on fire tonight
This could really be a good life, a good, (19)_____ life
A (20)_____ (21)_____ life
Hopelessly
I feel (22)_____ there (23)_____ be something
that I'll miss
Hopelessly
I feel (24)_____ the window (25)_____ so
quick
Hopelessly
I'm taking a mental picture of you now
Because hopelessly
The hope is we have so much to (26)_____ good about
Oh this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
Say oh, got this feeling that you can't fight
Like this city is on fire tonight
This could really be a good life, a good, good life
a good, (27)_____ life
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
(28)_____ to China to Col-or-ado
Sometimes there's (29)_____ I can't jump
out
(30)_____ there's bullshit that don't work
now
We are god of stories but please tell me
What there is to complain about

Fill in the gaps
