

Fill in the gaps

I've been feeling real good	and figure out the rest (5) I etch out a plan
(1) a long way from misunderstood	(6) is the night, is the night that we're
Far away from the days where I wouldn't wanna go home	losing control
Because I was afraid of the truth	Tonight is the night, is the night we set it off
See I was scared to admit	Everybody go
that failing was in the back of my head	Everybody go
Comes a point when lying no longer works	I'm feeling better than I ever thought
so you have to stand up for how you want to live	it's possible but now I know
Tonight is the night, is the night that we're losing control	I'm feeling (7) than I ever did
Tonight is the night is the night we set it off	Impossible don't exist
Everybody go	No, impossible don't exist
Everybody go	Everybody go
And I don't know better	Everybody go
but as far as I came it felt (2) forever	Everybody go
Seconds turn to hours days turn to months	Tonight is the night, is the night that we're losing control
Another year pass by	Tonight is the night is the night we set it off
But don't (3) (4) much	(8) is the night is the night that we're losing
So if I got one chance	control
motherf**ker I'm gonna make you all dance	Tonight is the night is the night we set it off
I'm gonna have as much fun as I can
