

## Fill in the gaps

Well, I tried to fake it			
Baby, I tried to break it			
But that's some kind of spell you got over me			
You're a heavenly vision			
Going to make it my mission			
Do whatever it takes to get you with me			
Everywhere I go			
Yeah, no one else I know			
That shines as bright as you in my telescope			
I tried to let it fade			
But I can't get away			
I really hope you're listening			
Because I never (1) I would say			
I can't help myself from falling in love			
From falling in love with you, yeah			
I can't help myself from taking the drug			
From taking the drug			
It's you, yeah			
It (2) every time			
Can't get you off my mind			
And anybody else better wait in line			
I can't help myself from falling in love			
From falling in love with you, yeah			
Every time you (3) calling			
Didn't think I'd be falling			
Never thought It'd be you			
I would always needed			
Love was something to run from			
I was always the last one			
That everyone thought would be in this dream			
Everywhere I go			
Yeah, no one else I know
