

## Fill in the gaps

Living in a city of sleepless people	Daydreaming all the time
Who all know the limits	Daydreaming
And won't go too far outside the lines	Daydreaming into the night
Because they're out of their minds	And I'm alright
I want to get out and (1) my own home	Is not that I won't remember (5) I'm from
On a street where reality	Just don't want to be here no more
Is not much different from dreams I've had	It's not enough
A dream is all I have	-We're only half alive-
Daydreaming	I'm going to go
Daydreaming all the time	-We're (6) half alive-
Daydreaming	Where the rest of the dreamers go
Daydreaming into the night	-We're only half alive-
Daydreaming	Where the dreamers go
Daydreaming all the time	Daydreaming
Daydreaming	Daydreaming all the time
Daydreaming into the night	Daydreaming
And I'm alright	Daydreaming (7) the night
Creep past the hours	And I'm alright
Like the shorter (2) on the clock	Daydreaming
(3) on a wall of a schoolhouse	Daydreaming all the time
Somewhere we wait for the bell	Daydreamer
And we dream of (4) else	We used to be half alive
Daydreaming	Now I'm alright
Daydreaming all the time	I'm alright
Daydreaming	I'm alright
Daydreaming into the night	
Daydreaming
