

Fill in the gaps

No sir, well, I don't (1) be the blame, not
anymore
It's your turn to take a seat
We're settling the final score
And why do we (2) to (3) so much?
I can't decide
You have made it harder just to go on
And why?
All the possibilities where I was wrong
That's what you get when you let your heart win
That's what you get when you let your heart win
I drowned out all my sense with the sound of its beating
And that's what you get when you let (4) heart win
I wonder, how am I supposed to (5)
(6) you're not here?
Because I burned every bridge I ever built
When you were here
I still try, holding onto silly things, I never learn
Oh why? All the possibilities
I'm sure you've heard

That's what you get when you let your heart win
That's what you get when you let your heart win
I drowned up all my sense with the sound of its beating
And that's what you get when you let your heart win
Pain, make your way to me, to me
And I'll always be just so inviting
If I ever start to think straight
(7) heart will start a (8) in me
Let's start, start
Why do we like to hurt so much?
Oh, why do we (9) to hurt so much?
That's what you get when you let your heart win
That's what you get when you let your heart win
That's what you get when you let your heart win
No, I can't trust myself with anything but this
And that's what you get (10) you let your heart win
