

Golden leaves by Passenger

Do you (1)_____ how this first begun?

Eyes as bright as the Spanish sun

Clinging desperately to winter trees

Held up here (2)_____ a pair of thieves

While the (3)_____ blare outside

What's left to say when every word's been spoken

What's (4)_____ to see when our eyes won't open

What's left to do when we've lost all hope and

What's left to break when our hearts are broken

But sometimes

Do you remember how this started out?

So full of hope but now we're filled with doubt

A dirty joke we used to laugh about

Fill in the gaps

But it's not funny anymore

I fear I'll choke unless I (5)_____ it out

Still smell of smoke although the fire's gone out

Can't (6)_____ with you but I'd die without

So what's left to say when every word's been spoken

What's left to see when our (7)_____ won't open

What's left to do when we've lost all hope and

What's left to break (8)_____ our (9)_____ are broken

But sometimes

What's left to say when every word's been spoken

What's left to see when our eyes won't open
