Golden leaves by Passenger

Do you (1)_____ how this first begun?
Teeth were white and our skin was young
Eyes as bright as the Spanish sun
We had nothing we could hide
Now my dear we are two golden leaves
Clinging desperately to (2)_____ trees
Held up here like a pair of thieves
(3)_____ the sirens blare outside
What's left to say when every word's been spoken
What's left to see when our eyes won't open
What's (4)_____ to do (5)_____ we've lost all hope
and
What's left to break when our hearts are broken
But sometimes
Do you remember how this started out?
So full of hope but now we're filled with doubt
A (6)_____ joke we used to laugh about

But it's not funny anymore
I fear I'll choke (7)_____ I spit it out
Still smell of smoke although the fire's gone out
Can't live with you but I'd die without
So what's left to say when (8)_____ word's been
spoken
What's left to see when our (9)_____ won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
What's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break (10)_____ our hearts are broken
But sometimes
