

Fill in the gaps

Well we'll kiss for that's how it begins		Because hearts won't buy love
We'll (1)	just to warm our skins	And nor will (6) sell
I'll think of her and you'll think of him		And there is no love in this hotel
And we'll talk to keep		Though we're walking home we know too well
The silence from our ears		We are (7) lost
And we'll laugh because we're so close to tears		We are both lost
We're just lonely, you know		And we won't be found
That's why we're here		She was my compass
Because you don't taste like you should		He was (8) map
And you don't fit in my	arms (2) she would	We've (9) too far to be turning back
Lying in the dark, it's understood		And we'll sit on our single beds
We are both lost		Nothing on our hearts
And we won't be found		And tears on our threads
We will wake up with ((3) other in our paws	For we know
You (4) c	over white bits	The last unicorn is dead
Like I've not seen them before		
We'll say (5)	and then we'll say no more	

- 1. embrace
- 2. like
- 3. each
- 4. cover
- 5. goodbye
- 6. they
- 7. both
- 8. your
- 9. come
