

Fill in the gaps

Well, last night I (1)	sleep	Because it hit me with no warning
I got up and started walking		Like a summer sky storming in my lungs
Down to the end of my street		Ain't it funny how the kids walk by
And on (2) town		They'll do anything to make themselves look older
Well I had no one to meet		While the women spend their money
And I had no taste for talking		On anything that makes them (5) young
Seems I'm talking my whole life		Like a stone
It's time I listen now		We're (6) on the river
Well, I walked I passed the late night boys		Like a boat
With their bottles in the doorways		Sailing on the sea
And I walked I passed the business men		Oh I'll (7) on walking
Sleeping like babies in their cars		Well, I'll keep on walking
And I thought to myself oh son		Till I (8) that old love
You may be lost in more ways than one		Or that old love comes to find me
But I've a feeling that it's more fun		Well, I'm like a stone
Than knowing exactly where you are		And I'm carried on the river
Like a stone		Like a boat
Carried on the river		Sailing on the sea
(3) a boat		Oh well, I'll keep on walking
Sailing on the sea		Well, I said I'll keep on walking
Well I'll keep on walking		Till I find that old love
Oh I'll keep on walking		Or that old love comes to find me
Till I find that old love		Till I find that old love
Or that old love comes to find me		Or that old love (9) to find me
Well, I walked into the morning		
And felt the warm (4)	forming on my	
shoulders
