(1) a whole another	Beam me up
(2) going on	Let me be lighter
In a parralell universe	I'm tired of (9) a fighter
Where nothing breaks and nothing hurts	I think a minute's enough
There's a waltz playing frozen in time	Just beam me up
Blades of (3) on tiny (4) feet	In my head I see your baby blues
I look at you and you're looking at me	I hear your voice and I
Could you beam me up?	I break in two and now there's
Give me a minute	One of me (10) you
I don't know what I'd say in it	So when I need you, can I send you a sign?
I'd probably just stare	I'll burn a candle and turn off the lights
Happy (5) to be there holding your face	I'll pick up star and watch you shine
Beam me up	Just beam me up
Let me be lighter	Give me a minute
I'm tired of being a fighter	I don't know what I'd say in it
I think a minute's enough	I'd probably just stare
Just beam me up	Happy just to be there holding your face
Saw a (6) soaring in the sky	Beam me up
Barely a breath I caught one (7) sight	Let me be lighter
Tell me that was you saying goodbye	I'm tired of being a fighter
There are times I feel the shiver and cold	I think a minute's enough
It only happens when I'm on my own	Beam me up
That's how you tell me I'm not alone	Beam me up
(8) you beam me up?	Beam me up
Give me a minute	Could you beam me up?
I don't know what I'd say in it	
I'd probably just stare	
Happy just to be there holding your face
