The truth about love comes at 3 a.m.	Purebreds and mutts
You wake up fuc*ed up and you grab a pen	Sandwiches without the crust
And you say to yourself:	It takes your breathe, because it leaves a scar
I'm gonna figure it out, I'm (1) (2)	But those untouched
that code	Never got never got very far
Gonna break it (3) it down	It's rage and it's hate
I'm tired of all these questions	And a sick (6) of fate
And now it's just annoying	And that's the truth about love
Because no one has the answer	The truth about love
So I guess it's up to me to find	I think you just may be perfect
The truth about love	The only person of my dreams
Is it comes and it goes	I never ever, ever, ever been this happy
A strange fascination,	But now something has changed
It is lips on toes	And the truth about love is it's all a lie
Morning breath	I thought you were the one and I hate goodbyes
Bedroom eyes on a smiling face	Oh, you can lose your breath.
Sheet marks, rug burn	Oh, you can shoot a gun and,
And a sugar glaze	Convince you're the only one that's ever felt this way before
The shock and the awe that can eat you raw	It hurts inside the hurt within and
Is this the truth about love?	It folds together pocket thin and
I think you just may be perfect	It's whispered by the angels lips and
The only person of my dreams	It can turn you into a son-of-a-b*tch, man
I never ever, ever, ever been this happy	The truth, the truth, the truth about love is
But now something has changed	Truth, the truth, the (7) (8) love is
And the truth about love is it's all a lie	(bis)

It's wings, and songs, and trees, and birds	-And the truth (9) love is-
It's all the poetry that you (4) heard	-lt's all a lie-
Terror coup d'etat	-I thought you were the one and I hate goodbyes-
