

Fill in the gaps

Made a wrong turn, once or twice	The whole (5) stares
Dug my way out, blood and fire	while I swallow the fear
Bad decisions, that's alright	The (6) (7) I should be drinking is an
Welcome to my silly life	ice cold beer
Mistreated, misplaced, misunderstood	So cool in lying and we tried, tried, tried
Mis, no way it's all good,	But we try too hard,
it didn't slow me down	it's a waste of my time
Mistaken, always second guessing	Done looking for the critics
Underestimated, look, I'm still around	because they're everywhere
Pretty, pretty please, don't you ever, ever feel	They don't (8) my genes, they don't get my hair
Like you're less than, (1) perfect	Strange ourselves
Pretty, pretty please, if you ever, ever feel	and we do it all the time
Like you're nothing you are fucking perfect to me	Why do we do that? Why do I do that?
You're so mean when you talk	Why do I do that?
About yourself, you are wrong	Yes, I'm pretty, pretty, pretty
Change the voices in your head	Pretty, (9) please, don't you ever, ever feel
Make them like you instead	Like you're less than, fucking perfect
So complicated, look how big you'll make it	Pretty, pretty please, if you ever, ever feel
Filled (2) so much hatred, such a tired game	Like you're nothing, you are (10) perfect to
It's enough, I've done all I can think of	me
Chased down all my demons, see you do the same	You are perfect, you're perfect
Pretty, pretty please, don't you ever, ever feel	Pretty, pretty please if you ever, ever feel
(3) you're less than, fucking perfect	Like you're less than, fucking perfect
Pretty, pretty please, if you ever, ever feel	Pretty, pretty please if you ever, ever feel
Like you're nothing, you are (4) perfect to	Like you're nothing, you are perfect to me
