Where it began		And (6) I hurt
can't begin to knowin'		Hurtin' runs off my shoulders
But then I know it's growing strong		How can I hurt when holding you
Was in the spring		Warm, touchin' warm
And spring became the summer		Reachin' out
Who'd have (1) you'd	d come along?	Touching me
Hands, touchin' hands		Touching you
Reaching out		Sweet Caroline
Touching me		Good times never seem so good
Touching you		I've been inclined
Sweet Caroline		To believe they never would
Good times (2) seemed so good		Oh, no, no
've been inclined		Sweet Caroline
To (3) it never would		Good times never (7) so good
But now I		Sweet Caroline
ook at the night		I (8) they never could
And it don't (4) so lonely		Sweet Caroline
