Different by Robbie Williams

Blisters at the end of my fingertips

Fill in the gaps

When I look you in the lies	Praying to a God I don't (3) exist
Something deep inside me dies	Will you listen now?
(1) I know you won't get better, better,	Can you forgive me somehow?
better	This time I'll be different, I promise you,
You'd rather be right than be loved	This time I'll be special, you know I will,
The only thing I've understood	Just don't leave with me in your eyes.
Nothing's ever good enough	This time I'll be better, I (4) you to know,
I stumble through the words as they're (2)	This time I'll be special, oh God, (5) it so,
me	Just don't leave with me in your eyes, (6) eyes,
Tremble at the sight of your majesty	your eyes
And I cut myself just to get them out	Closer now to the end
This time I'll be different, I promise you	If love was the answer
This time I'll be special, you know I will	Then hope was the question
Just don't leave with me in your eyes	Closer now, let's pretend
This time I'll be better, I want you to know	We've never been out here before
This time I'll be special, oh God, make it so	This time I'll be different, I promise you
Just don't leave with me in your eyes, your eyes, your eyes	This time I'll be special, you know I will
You took my youth, you took my health	Don't leave with me in (7) eyes
And if you're not here I'll fight myself	This time I'll be better, I want you to know
You're supposed to make this better, better, better	This time I'll be special, oh God, make it so
No self-control and no reason why	Just don't leave with me in your eyes, (8) eyes,
And if I don't change, then we both die	(9) eyes
This is it for you and I
