

Fill in the gaps

When I (1) you in the lies	Praying to a God I don't think exist
Something deep inside me dies	(5) you listen now?
Because I know you won't get better, better, better	Can you forgive me somehow?
You'd rather be right than be loved	(6) time I'll be different, I promise you,
The only thing I've understood	(7) time I'll be special, you know I will,
Nothing's ever good enough	Just don't leave with me in your eyes.
I stumble through the (2) as they're leaving me	This time I'll be better, I want you to know,
Tremble at the sight of your majesty	(8) time I'll be special, oh God, make it so,
And I cut myself (3) to get them out	Just don't leave with me in your eyes, your eyes
This time I'll be different, I promise you	(9) eyes
This time I'll be special, you know I will	Closer now to the end
Just don't leave with me in your eyes	If love was the answer
This time I'll be better, I want you to know	Then hope was the question
This time I'll be special, oh God, make it so	Closer now, let's pretend
Just don't leave with me in your eyes, your eyes, your eyes	We've never been out here before
You (4) my youth, you took my health	This time I'll be different, I promise you
And if you're not here I'll fight myself	This time I'll be special, you know I will
You're supposed to make this better, better, better	Don't leave (10) me in your eyes
No self-control and no reason why	This time I'll be better, I want you to know
And if I don't change, then we both die	This time I'll be special, oh God, make it so
This is it for you and I	Just don't leave with me in your eyes, your eyes, your eyes
Blisters at the end of my fingertips
