

## Fill in the gaps

Call your girlfriend	You just tell her that the only way
It's (1) you had the talk	Her heart will mend
Give your reasons	Is when she learns to love again
Say it's not her fault	And it won't make sense right now
But you just met somebody new	But you're still her friend
Tell her not to get upset	And then you let her down easy
Second guessing everything you said and done	Call your girlfriend
And then when she gets upset	It's time you had the talk
Tell her how you (2) meant to hurt no one	Give your reasons
Then you tell her (3)	Say it's not her fault
The only way her heart will mend	But you just met (5) new
Is when she learns to love again	And now it's gonna be me and you
And it won't make sense (4) now	And you tell her that the only way
But you're still her friend	Jer heart (6) mend
And then you let her down easy	Is when she learns to love again
Call your girlfriend	And it won't make (7) (8) now
It's time you had the talk	But you're still her friend
Give your reasons	And then you let her down easy
Say it's not her fault	Call your girlfriend
But you just met somebody new	It's time you had the talk
Don't you tell her	Give your reasons
How I give you something	Say it's not her fault
That you never even knew you missed	But you just met somebody new
Don't you even try
